Hello,

Nice to meet you!

We are very happy to work in the food industry; to meet you, to present ideas to you, to contribute to your production and to offer natural products to this sector where we feed together.

www.atmarbio.com

## Savory Flavors

Natural

### Broth, Soups, Ready Meals

- ◆ Boiled beef and chicken meat (also yeast free and natural)
- ◆ Roasted beef, chicken, pork

- Smoked Salmon
- ◆ Fish flavorings: salmon, sea bass, shell fish (yeast free, natural)

New!

- ◆ Natural "Brasato" (Beef & vegetables & spices & red wine)
- ◆ Mediterranean mix
- ◆ Vegetable mix and notes
- ◆ **Typical Italian tastes**

Arrabiata      Matriciana  
Bolognese      Pesto alla Genovese  
Carbonara

Traditional

www.atmarbio.com

### Stuffing, Gravy, Sauces, Dressings

Full of cheese variety:

Gouda  
Parmesan  
Pecorino  
Mozzarella  
Gorgonzola

- ◆ Natural umami taste
- ◆ Mushrooms
- ◆ Ricotta and spinach
- ◆ Formaggio and spinach
- ◆ Pesto, basil
- ◆ Radicchio
- ◆ Rucola
- ◆ Artichoke
- ◆ Ham
- ◆ Marrow (also natural)

→ Marrow is used in many stuffing "meat based", alone or in combination with other flavors as "booster" to maximize the overall taste profile.

Natural

www.atmarbio.com

### Sausages, Ham, Wuster, Bacon and other delicates

- ◆ Natural spices flavors
- ◆ Meaty (roasted and boiled meat: beef, veal, pork, chicken; also natural)
- ◆ Smoked flavor (also natural version)
- ◆ Parma ham, speck, pork sausages

New!

### New Developments

Brasato

Grilled sausages

Smoked salmon

Truffle (liquid-oil soluble)

Clean Label

www.atmarbio.com

### Functional Products

- **Umami** : used in many stuffing, alone or in combination with other flavors as "booster" to maximize the overall taste profile
- **Sugar simulator** : main application in sauces to increase sweetness, reduce the acidity, and eliminate off tastes
- **Salt modulator** : available in powder, paste, and liquid form; water or oil soluble
- **Natural seasoning with fibers** : used to keep the water bound with other ingredients into the stuffing

Clean Label

- **Antioxidant—Rosemary extract** : natural flavor of rosemary or natural extract of rosemary
- **Antioxidant—Olive extract** : natural flavor of olive or natural olive extract (dosage: 1 g/kg)

- **Masking agents** : to cover off tastes
- **Natural vegetable extract of coloring**

www.atmarbio.com
